

JOHN PATRICK R. MAH

Student

Profile

I am a 21 yrs old student at Trimex Colleges. I work harder than anyone else in my perspective. I complete my tasks in time and pay attention to mistakes I've made and use it as an advantage to learn more. A hardworking and flexible individual with strong adaptability to new environments. Quick to learn when guided effectively and eager to contribute positively in any role. Dependable and committed to personal and professional growth during on-the-job training.
